Tuesday 30th November, 1:00pm – 2:30pm
'Where to go this winter'

You are invited to join us later this month to find out about all of the services available to you, from pharmacies to urgent treatment centres, including self-care tips that will keep you safe and well throughout winter. You will have the opportunity to hear from health professionals, and have your questions answered.

If you are available to join us, please hold the date in your diary and email stefanie.griffiths@nhs.net to confirm your attendance. A full agenda complete with the meeting link, speakers, topics and timings will be circulated shortly.
