

## 3rd Sector Community Connector Service

### Linking people into our community

Do you feel alone or isolated in your home, don't feel confident going out and meeting people, no one to help you access services in the community or don't know where to find the help and support .

Then our **Third Sector Community Connectors** can help you.

They can support and assist you with improving your health & wellbeing, making new connections or getting out and about in the community
