

**“Supporting independence throughout life and work”**

We own and operate a social enterprise, the Disability Trading Company (DTC), which offers high quality mobility and independent living products, at competitive prices, backed up by an extensive range of support services. All profits from DTC are used to support WDP services.

We are the organisers of Disability Awareness Day (DAD), the world's largest 'not for profit' voluntary-led disability exhibition, held annually in a huge tented village within the grounds of Walton Hall and Gardens in Warrington.

**“Help us to help others”**

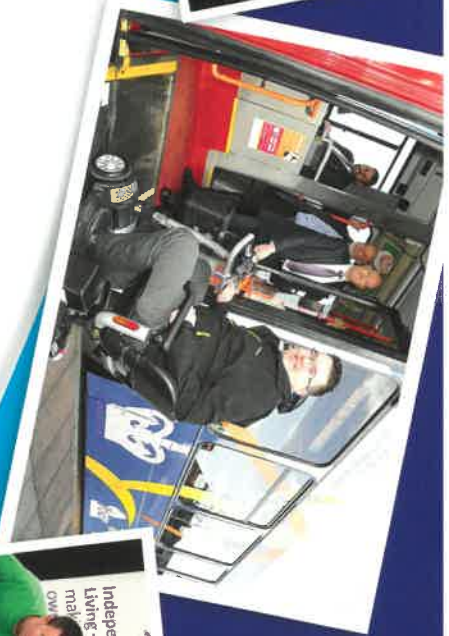

# Who we are...

Warrington Disability Partnership (WDP) is an internationally acclaimed user led charity.

We have over 25 years' experience of supporting disabled people and people living with long term health conditions.

Our team of over 40 staff and nearly 200 volunteers believe that information, advice and guidance are the main keys to independent living. Since our launch in 1991 we have designed, developed and, now deliver, 27 mobility and independent living services, many of which are based in our Centre for Independent Living (CIL) in Warrington.

Our Purpose is to enhance the lives of disabled people and their families by enabling independent living.
